FOR A RIOT AT WAIALUA

Four Chinese Are Now on Trial By Jury.

Equity Suit for Land in Honolulu Valued at \$50,000.

Dr. Mouritz Discharged As Kamalo Garnishee—Maynard Estate Accounting.

The Waialua riot case was on trial before Judge Gear all day yesterday. Deputy Attorney-General M. F. Prosser appears for the Territory. A. S. Humphreys assists E. A. Douthett as counsel for the defendants. Chun Lun, Akin, Ng In and Sam Yau are charged in the indictment with having assembled at Waialua on July 27 last, "armed with clubs, sticks, stones and cane knives, and with tumult and violence tending to strike terror into others, joined in unlawfully, feloniously, maliciously and riotously assaulting one Wong Chuck Lung, and then and there beat, wound and otherwise illtreat him to his great danger, hurt and injury."

OTHER CRIMINAL CASES. The arraignment of Arroyo for murder was put off from time to time throughout yesterday, the latest hour being four o'clock. As no Spanish interpreter had been obtained the case was further continued.

The motion for continuance in the Naone murder case and pleas in the cases of Lupine Gomez, Mary Manu and Axioma, for different offenses, were continued until 9:30 Monday morning.

MOANA HOTEL DRINKABLES. Judge De Bolt yesterday heard the replevin suit of Hawaiian Trust Company, Ltd., vs. A. M. Brown, High Sheriff, for a quantity of wines and liquors valued at \$1500, which it was alleged was seized by defendant on June 1, 1904, while plaintiff was in the lawful possession thereof, being then the owner in rightful possession of the Moana Hotel at Waikiki.

At the time of the seizure, the complaint said, the business of the hotel in the sale of wines, liquors, etc., was especially profitable, as defendant well knew. Besides asking for a return of the goods, or an alternative judgment for their value, the plaintiff claimed \$5000 damages for injury to the hotel business.

H. E. Cooper and S. H. Derby appeared for plaintiff, and H. G. Middle-dich and A. M. Brown for defendant. On the conclusion of plaintiff's case just before noon, Mr. Middle-dich stated the grounds of a motion for nonsuit which he would argue after recess. These were in effect that less title than ownership had been shown by plaintiff, and that the goods mentioned in the complaint had not been identified as

A SILLY SAYING.

"It is a common but silly opinion prevailing among a certain class of people that the worse a remedy tastes, smells or hurts, the more efficacious it is." So says a well-known English physician. He further adds: "For example, let us consider cod liver oil. As it is extracted from the fish this oil is so offensive to the taste and smell that many cannot use it at all, no matter how badly they need it. Yet cod liver oil is one of the most valuable drugs in the world and it is the greatest pity that we have not thus far been able to free it from those peculiarities which so seriously interfere with its usefulness." This was written years ago; the work of civilizing and redeeming it has since been triumphantly accomplished; and as a leading ingredient in the remedy called

WAMPOLE'S PREPARATION the oil retains all its wonderful curative properties with no bad smell or taste whatever. It is palatable as honey and contains all the nutritive and curative properties of Pure Cod Liver Oil, extracted by us from fresh cod livers, combined with the Compound Syrup of Hypophosphites and Extracts of Malt and Wild Cherry; creating a medicine of unequalled power for the diseases most prevalent and fatal among men, women and children. There is no other remedy to compare with it. It increases the digestive power of the stomach and in Blood Impurities, Throat and Lung Troubles, Nervous Dyspepsia and Scrofulous Affections, it gives quick and certain relief and cure. Dr. G. C. Shannon, of Canada, says: "I shall continue its use with, I am sure, great advantage to my patients and satisfaction to myself." Has all the virtues of cod liver oil; none of its faults. You may trust it fully; it cannot disappoint you. At all chemists,

those covered by the mortgage held by plaintiff.

Mr. Heitsel, manager of the Moana Hotel, called by the plaintiff testified that about the time of the seizure the bar receipts averaged \$60 a day and the hotel as a whole was taking in about \$180 a day. The presence of Admiral Glass's fleet in port materially helped the business of the Moana Hotel Co. just at the time it was interrupted by the seizure in question.

After recess the motion for nonsuit was denied and evidence for defendant was put on.

ENGLISH HEIRS PAID. George H. Robertson, administrator of the estate of Elizabeth Barnes Maynard, late of Brighton, England, has filed his final account with a petition for discharge. He received \$8612 and paid out \$8574, leaving a balance of \$38. The receipts came from the sale of McBryde bonds and C. Brewer & Co. stock, together with interest and dividends prior to sale, and the payments are shown in remittances to the heirs in England and expenses of administration.

LARGE PROPERTY SUIT. Elizabeth K. Meyer of Kalae, Molokai, has brought suit in equity to cancel and set aside a written instrument against Jesse Makainai. Complainant shows that prior to Sept. 3, 1903, her aunt, Mary Auld of Honolulu, was possessed of certain pieces of land at Kalihi, Honolulu, which are described in the complaint, and that on the day just mentioned Mary Auld did, by proper deed of conveyance, convey unto complainant all of the described property. She shows further that on June 20, 1900, Mary Auld and her husband, the late William Auld, entered into an agreement in writing with the respondent, Jesse Makainai, that they would sell the same described property to him for \$50,000. This amount was to be paid within two years after the expiration of the last lease on the property. The sum of \$1000 was to be paid on execution of the agreement. During the life of the agreement Makainai was to pay to Mary Auld \$500 every year until the termination of certain leases on the property. Rentals were to be paid to William and Mary Auld and not included in the purchase price. The \$500 a year was to be credited on the purchase price to Makainai.

During the years 1900, 1901 and 1902 Makainai performed the conditions of the agreement, but during the years 1903 and 1904 he has utterly failed, neglected and refused to pay to Mary Auld, to the complainant, or to any other person or persons on their behalf, the \$500 a year stipulated in the agreement.

Complainant prays that the agreement may be cancelled for conditions broken, that Makainai forfeit the moneys paid as the agreement provides and that she be given such other relief as the court deems equitable.

THE HARTS EJECTED.

In the suit for summary possession of Oahu Railway & Land Co. vs. Lionel R. A. Hart and Haleakala Hart, the following decision has been rendered by Judge Robinson:

This is an appeal from the District Court of Ewa. The appeal of Lionel R. A. Hart was dismissed upon motion, it appearing from the record that judgment in the court below had been rendered against him by default. As regards the defendant, Haleakala Hart, I find that she is in possession of the premises in controversy, having taken possession as tenant from month to month under H. M. von Holt, executor of the estate of Frank Brown, deceased; that upon the landlord's interest being sold by von Holt to the plaintiff corporation she became tenant at will of the plaintiff, and that the statutory notice to vacate has been given her by the plaintiff, and, therefore, find for the plaintiff for a restitution of the property with costs."

DISCHARGE OF GARNISHEE. Judge Robinson, after holding an examination of the garnishee in the suit for rent brought by Otto S. Meyer and Harvey R. Hitchcock against the Kamalo Sugar Co., Ltd., defendant, and Arthur Mouritz, garnishee, made an order discharging the garnishee. It appeared to the court "that at the time of service of said summons in said action upon said garnishee, the said A. Mouritz had not nor has he now in his possession or control any money or property belonging to the Kamalo Sugar Co., Ltd., defendant above named, and was not and is not now indebted to said defendant, and that said A. Mouritz, garnishee, is entitled to be discharged." Geo. A. Davis appeared for plaintiffs, and J. Lightfoot and Ballou and Marx for defendants.

The suit was brought with the object of attaching for payment of rent claimed, the purchase price of the Mapulehu land bought by Dr. Mouritz at the assignee's sale of the Kamalo Sugar Co.'s property.

"DEAD HORSE." Execution for \$406.90 in the suit of John Ena vs. Honolulu Investment Co., Ltd., is returned as unsatisfied, due and diligent search for any personal or real property which the defendant might have within the First Judicial Circuit having resulted in the finding of nothing.

COURT NOTES. Judge Robinson denied the motion in the ejectment suit of Solomon Kahawili vs. D. Kukea and Ku to quash the alias summons issued to Ku.

Judgment on default has been given by Judge Robinson against defendant in the assumpsit suit of John Charles Johnston vs. W. S. Achi, awarding the plaintiff \$1207.55 damages and his costs taxed at \$61.93.

Another stipulation in the case of Bierce vs. Hutchins et al., relative to the Kona plantation, extends the time to answer until November 11.

SENTENCES GIVEN IN FEDERAL COURT

Levi P. Kauhoe, who pleaded guilty to one count of an indictment charging him with misappropriating government funds while he was postmaster at Kapaa, Kauai, was sentenced by Judge Dole yesterday to imprisonment for one year and the payment of a fine of \$1892.

Kanemura and brother, Japanese found guilty of conspiracy to violate law, were each sentenced to six months' imprisonment.

The Yee Chong fire claim case was further partly heard yesterday, and the court adjourned until Monday.

WHAT A BLESSING

Many People Are Learning to Appreciate in Honolulu.

What a blessing it is. Sought after by thousands. Honolulu is finding it out. Many a miserable man is happy now. Nights of unrest, days of trouble. Any itching skin disease means this. Itching Piles mean it. Eczema just as bad, and just as bad to cure.

But Doan's Ointment relieve at once, and cures all itching of the skin. A blessing to a suffering public. Here's proof to back our statement: Mr. H. Ryall, of No. 11, Grosvenor St., South Yarra, a very old resident of Melbourne, Australia, states:

"For some considerable time I have been a sufferer from that annoying complaint known as itching piles. At times the irritation was very annoying, especially at night, and in the warm weather. I applied some of Doan's Ointment, which I had obtained and I am pleased to say that it gave me the desired relief from this annoying disease."

Doan's Ointment is splendid in all diseases of the skin: Eczema, piles, hives, insect bites, sores, chilblains, etc. It is perfectly safe and very effective. Very frequently two or three boxes have made a complete cure, of chronic cases that have not yielded to other remedies for years.

Doan Ointment is sold by all chemists and storekeepers at 50 cents per box, or will be mailed on receipt of price by the Hollister Drug Co., Ltd., agents for the Hawaiian Islands.

HACKMEN EXPLAIN

OVERCHARGE TROUBLE

In an interview on the subject a hackman explains the complaint of overcharges as follows:

"Lots of hoboos get drivers' licenses, but do not own a hack. They do no driving except on steamer days, when they hire hacks from Japanese and proceed to soak everybody right and left; both tourists and local people. The legitimate hack-drivers do not do it as they know such conduct reacts against them."

He also said that they were looking into the matter and would try and have the licenses of such people cancelled. The explanation is plausible and very likely true as such things happened in New Haven until stopped by the regular hack-drivers.

IN CIRCLES OF LOCAL CRIME

Two Japanese murders occurred yesterday, one at Waimanalo and the other at Kahuku. The murder at Waimanalo took place in a drunken brawl. The row occurred between three and four in the afternoon. The victim was badly cut up and died about six hours afterwards. The murderer attempted to escape but was captured by his countrymen and turned over to the authorities by whom he was locked up in the Kaneohe jail.

The Kahuku affray was as follows: There had been a wrestling match and two of the Japs got into an argument over the matter. Tanaka thrust a knife into the other man. He then ran to hide the knife. The stabbing was seen by a trainman who followed and managed to catch Tanaka. He also took the knife as evidence. Tanaka was then turned over to a policeman who brought the Jap to town yesterday morning.

The police arrests here during the afternoon and evening were not very exciting. Five men were arrested for gambling. A young Portuguese was caught playing roulette. Naha took his wife for a punching bag and now will have to explain matters. The only other arrest was that of Wahlan, who was arrested on the charge of burglary in the second degree. A native woman entered the complaint which brought about his arrest. Wahlan claims that the whole matter is false and only a bit of spite on the part of the woman.
